## New 1 ¼" Yoke

The new 1 ¼" yoke will be available for order November 5, 2001. The yoke will have versions in both 1 ¼" thread and 1 ¼" (Type M) copper tube sweat. The new yoke will reduce 1 ¼" plumbing on 2 ½" centers to our standard 2" center without requiring additional plumbing connections.

The 1 ¼" yoke can be configured with a control valve, purchased as a single part, or in box quantities of 12.

The part numbers are as follows:

40636	Yoke, 1 ¼", NPT
40636-49	Yoke, 1 ¼", Sweat

As always, thank you for using Fleck controls.

Sincerely,  
Pentair Water Treatment, Inc.
